Case number:	Vj –140/2004
Short title (party, conduct, type of case):	Fővárosi Ásványvíz és Üdítőipari Rt. – labelling - deception of consumers
Type of case:	Unfair manipulation of consumers' choice Deception of consumers
Description:	According to allegations Főváros Ásványvíz, a company producing and bottling soft drinks used deceptively similar labels for two different mineral water brands (Gellérthegyi Kristályvíz and Margitszigeti Kristályvíz) of different origin with different mineral content. The Competition Council found the labels not to be deceptive, and terminated the proceeding.
Date:	December 9, 2004
